From the Editor

A change will be taking place with SWIM Magazine in the fall of 1982.

Since 1974, the magazine has been an integral part of Canadian swimming and in continuous publication since then. In fact, one of the benefits of amateur registration with your club, was receiving a copy of the magazine delivered to your home.

This arrangement will change this coming fall. The good news is that we intend to continue doing what we have always done. The bad news is that the magazine will no longer be part of registration with CASA. A subscription will have to be charged. We feel confident that clubs, coaches and swimmers value the information that we provide to pay the required subscription. Final rates are not firm, but we'll keep it around $15 for 10 issues a year.

The agreement with CASA to continue funding the cost of producing TAG (the monthly ranking of top age group performances) will go a considerable way to insure the continuation of the magazine.

The reasons behind the change have mostly to do with the times we live in. With costs rising the funds that CASA have available are not increasing, and some feel should be put to other uses.

The plan will be to approach all the swim clubs in the country and have them build into their membership fees the option of receiving the magazine. We anticipate having an improved magazine of better quality, and more features.

We look forward to serving the Canadian competitive swimming community and if you have any comments or suggestions let us have them.

The Graham Smith magic — a tough act to follow

By Terry Holmes

Graham Smith is a tough customer. That's what made him the best individual medley swimmer in the world. And it's what got him in trouble occasionally for blowing off steam after the big competitions.

"You live or die by what you do on the blocks," Smith, 24, said at the last meet of his career, the Winter Short Course Championships in Brantford, Ontario. "I knew what I was capable of doing and I didn't have to rely on another person to do it. I relied on my own instincts. I wanted to prove I had guts, not to myself - I always knew I had it - but to others. I wanted to be the greatest swimmer Canada had ever produced so I kept setting my goals."

No question about it, Smith was a brawler - going on guts, going after greatness. He was rarely disappointed with what he achieved.

"There were times when I was hurt or tired or depressed," Smith recalled. "But I always had enough pride to get up and do the job. That's why I remained undefeated by a Canadian in the 100-metre breast from 1974 to 1981," he said confidently.

Graham wins Esso Cup at 1981 Summer Nationals.

"Pride - I've got it and you can't beat it. I'll give you another example. During the Montreal Olympics, I had a bad earache and just about lost my hearing . . . I had to overcome all the problems when the big races came along." Smith swam four finals in 1976 to take a relay silver, two fourths and a fifth.

Graham was a world-ranked swimmer for two years before his first Olympic team. During this period, he competed in the 1974 Tilt meet in Paris, the 1975 Coca Cola International Meet in London, the 1975 US University Tour and the 1975 World Aquatic Championships.

But, it was the two-year period that followed the '76 Olympics when Graham reached a pre-eminent position in the swimming world. He set a world record for the 200m individual medley with a 2:05.31 clocking at the 1977 Canadian Championships. Later that summer he struck double gold at the World University Games, winning both breaststrokes. (The 200m i.m. was not an event.)

Then in 1978, Graham raced what turned out to be the best season of his life when the medal count is tallied at the Commonwealth Games and the World Aquatic Championships. In Edmonton, Graham stroked ahead of the field to take an unprecedented six gold medals at the Commonwealth Games (both breaststrokes, both individual medleys, the 4x100 free and medley relays).

Following this bonanza, Graham went on to West Berlin to charge ahead of the world's best and claim a new world record and gold medal in the 200 i.m. (2:03.65), a silver medal in the 100m breaststroke (1:03.60), and to make the finals in the 200m breaststroke and the 4x100 medley and free relays.

It was an anti-climactic year in 1979 but Graham proved he was once more an elite swimmer by taking three medals at the Pan American Games. He continued the international circuit competing in the Moscow dual meet and the FINA World Cup in Tokyo.

Graham is fatalistic concerning the outcome of his career in 1980. He recalled the Olympic boycott, "It depressed my swimming and my belief in a number of things. Like I thought the Olympics were a sacred thing and politics had nothing to do with it. I guess I was naive in that thought but I tried to carry on and create new goals for myself."

Asked about his world records, he said fondly, "The first one was magic. When I touched, I checked the time, not the lane, because the race with Bill Sawchuk had been that close. I was more concerned that somebody had gone under the record. When I realized I had won, I couldn't stop thinking that I had done it better than anyone else before."

Smith's second world record had a gold medal come with it and the satisfaction of beating seven of the best swimmers in the world, including three former world record-holders in the i.m. "When you win big, you don't feel the pain," Smith said determinedly.

Although most successful in the i.m., Smith said he doesn't know if it was his favourite event. "I always wanted to win the World Championships 100m breaststroke."

If swimming had been all work and no play, Graham might have been a dull boy. History proved otherwise. Graham said with a grin, "You have to combine business and pleasure."

One well-known incident put a wacky sense of comedy into the sports pages of newspapers across Canada in 1976 when Graham was discovered unconscious at the gates to the Olympic Village in Montreal. Graham had been energetically celebrating the conclusion of swimming at the Games with enough enthusiasm to

put him flat on a stretcher. Getting caught put him on the front pages and an early flight to his family in Edmonton.

A year later, the hijinks continued in Montreal when Graham, with a world record only days old, was in a 10-day training camp for the World Student Games Team and a trek to Bulgaria. Red-faced officials had no idea that his California girlfriend was also his unofficial roomate until the day before departure. Graham had been true to his word - he had honoured all curfews and hadn't strayed from team quarters.

In March, 1978, the law caught up to Graham in Long Beach, Calif., at a party following the NCAA Championships. In his words, "a misunderstanding with a police officer put me in a local jail overnight with the low lifes." Next morning, Easter Sunday, he was released. Charges for public drunkenness were dropped by the authorities.

Graham admitted there have been a few wayward turns in his past. But fixing you with a steely-eyed squint, he closes these revelations saying, "I know when to screw around and when to get serious. Every time I've been in any trouble it's been after the competition."

Graham's singular brand of common sense enabled him to negotiate the 18-year rigors of training without the disabling injuries that have felled many other world class athletes.

"I knew how to pace myself," Graham asserted with self-coached maturity. "I didn't go all out in workout every day. I knew how to pick key sets where I could work it - I was reserving myself."

As a result, Smith said he hasn't had recurring physical problems or pain. Specializing in the breaststroke did cause knee problems to flare up for a period between 1973 and 1975 but nothing has gone wrong since.

Looking back on his eight years at the top of the sport, Graham said critically, "I found myself as the exception. A lot of kids don't have the drive to be number one - swimming is more of a socializing thing. I noticed the attitude of Canadian swimmers especially when I was in the United States. There's a laxness here - most kids just don't have the pride."

Smith sounded, increasingly, the professional coach he intends to become. He had more to say about attitude. "I always respected my competition. You don't have to bring racing down to a hate level. I don't believe in that."

What really counts is discipline, even in the smallest things, according to him. "For example, doing your stretching immediately when a workout starts. Staying off the bottom when you're in the water. No loafing when you're going into or out of the wall - coach Don Talbot was notorious for insisting on that."

"When you watch these things, it shows up later in your career," he said. And Graham is well qualified to make that judgment.

He has trained under several big name coaches, including Don Talbot, Deryk Snelling and Nort Thornton. From them, he said, he's learned a great deal about the sport which he intends to use in his own unique coaching style. "I'm going to have to change my approach to swimming when I coach. I don't expect age group swimmers to have the commitment I had later in my career."

In the fall of 1977, after claiming his first world record, Graham had a red maple leaf the size of a 25-cent piece tatooed over his left breast. This was a gesture of nationalism copied by several Canadian team members. Nationalism was a calculated asset helping to bring big performance payoffs.

Five years ago, Graham was proud of Canada and wanted to show it. At his retirement, his personal medal haul from international games includes seven golds, four silvers and a bronze. It's about time Canada showed its pride in Graham Smith. He's a tough customer and he'll be missed.

1982 Junior Nationals

The weekend of March 25-27 was the designated period for the Junior Nationals. In the east, it was held at the Centre Claude Robillard in Montreal, in the west, Victoria hosted the meet.

Participation was down in the west to 303 from 418 in 1981, while in the east it held steady at 373 (375 last year).

The level of the performances was off from years past, as only three meet records were bettered. But an encouraging sign was that several event winners were quite young. Typical of this would be the eastern winner of the boys 1500 free, Bernhard Volz still only 13. In the west, Sean Gallagher,14 of Cascade Foxes was a three event winner and the youngest gold medallist.

The men's events in the east were dominated by Ernie Jones,17 of Windsor. He won the 100-200 back and the 200-400 i.m. Ernie bettered the meet record in the 200 i.m. with his time of 2:11.52, improving the existing record of 2:11.80. Ernie also took part in Windsor's winning medley relay, to earn his fifth gold. The best anyone could do in 1982.

CAMO's Regent Lacoursiere,15 took the 100 and 200 free with another gold coming the 4x100 free relay which his team won.

Oakville's Ian Lightbody,17 won both fly events, his time of 58.51 in the 100 was a new meet record.

The men's team title went to Windsor with 359.5 points, with CAMO second 299, and Nepean third with 263.

The women's events were dominated by two swimmers. Oakville's Leslie Carter,14 placed first in the 50, 100 and 200 free. Even more impressive, and earning the distance queen title for the meet was London Y's Anne Posno,15, winner of the 400-800 free and 200 fly and 400 i.m.

Pointe Claire's girls team title was helped by solid team depth in most events. Carolyn Verschoote,15 sparked the team, with her win in the 100 fly, with a second in the 50 free and a third in the 100 free. PCSC won the medley and placed second the 400 free relay to earn a total 502 points in women's events. Runner up was London Y with 324.5 and Hamilton with 246.

In the combined team title, PCSC finished on top with 522, followed by CAMO with 450 and London Y 439.5.

In the west, men's events were dominated by the host team, the Victoria Olympians. They won 2 gold 3 silver and 2 bronze in individual events, adding all three golds in the relays. The best individual individual was Bill Winram,17, winning both breast events, and helping on the relays.

Cascade's Sean Gallagher was a standout as mentioned earlier, with golds in the 200 and 1500 free, 400 i.m. and a second in the 400 free.

Saskatoon Goldfins' Gerald Backer,20, took both backstroke events to help his team finish in fifth place in the men's category.

University of Calgary chased the Olympians all through the meet, and Trevor Lamb,17, was their top point getter, with wins in the 400 free and 200 fly, and seconds in the 200 and 400 free.

Victoria Olympians amassed 560.5 points to Univ.of Calgary's 495, with the Keyano's bck at 335.5 for third in the men's team race.

The women's swimming events had the Canadian Dolphins dominate the meet with Nadeanne Holley,16 winning the 50 free and 200 i.m., adding a second in the 100 free. CDSC had another winner in Jule Hashimoto when she took the 800 free.

Victoria Olympians put on a strong team showing, having three golds, two silver and three bronze in individual events, adding all three relay golds.

Best individual performance was by Kelly Ursan,13, from Hyack, setting a new meet record in the 100 back with 1:07.75, improving the old mark by 5/100ths. She won a silver in the 200 back.

St.James Seals' Christine Laliberte was a double winner, taking both fly events, for the only medals for a Manitoba swimmer in the women's side.

CDSC won the team race with 663 to Victoria Olympians' 536.5 and Hyack with 377.

In the combined team title, Victoria Olympians emerged on top with 1097, with UCSC second 744, to Hyack's 710.

Special Introductory Camp

Accredited member of the Ontario Camping Association

Special Swim Camp

AUGUST 22 — 28, 1982

Designed for persons who are or wish to become competitive swimmers.

Emphasis on Stroke Improvement, Conditioning and the Psychology and Strategy of Competitive Swimming.

Audio Visual aids including video tape equipment is used.

National Class Coaches provide the range of programmes required to accommodate swimmers at all levels and stages of development from Junior Swimmer to Experienced Competitors.

Many of the campers participating in the Special Swim Camp also register for one or more weeks in Camp Catchacoma's regular Programmes. The Water Safety Programmes of the Red Cross and Royal Life Saving Societies are features of the regular programme and instruction is offered at all levels.

Countdown

by Trevor Tiffany,
Manager of the 1982 Canadian Commonwealth Games swimming team.

Brisbane, the site of the 1982 Commonwealth Games, is a city of one million people in the sub- tropical south east corner of Queensland, Australia's "Sunshine State." The Games will be held during Queensland's springtime and the days should be clear and sunny, the nights comfortable. Spring rain is only occasional and the average tepmperature is 26 celsius or 78F.

The swimming events will take place in a new complex built specially for the occasion. It is the Chandler Aquatic Centre. This facility with a main competition pool 50x25 metres with an overall depth of two metres. The warm up pool is 25x14 metres (six lanes) and is 1 metre deep. (Not quite the warm up facility one might be expecting!)

For coaches and parents wishing to support the Canadian team the following information might be of use. Overland Tour of Agincourt (416) 291-7334, are the ticketing agents for the Commonwealth Games in Canada. They have a mixed bag of tickets available for swimming though the choice is not plentiful and the prices vary from $16 - 39 per seat per session. CASA has attempted to secure tickets on behalf of the team, without success and coaches and parents are strongly urged to avoid the inevitable black market process by purchasing tickets early.

Accommodation is going to be a problem with the main hotel areas situated on the coast to both north west and south west of the city, at least 30 minutes away (under good traffic conditions). The trick, again, will be to book early, through either Overland, or better still friends in Australia. The Overland package tours are from $3,200 to 5,200.

Swim Magazine will gladly put supporters in touch with one another and facilitate a group booking if the number of interested persons warrants such. This could reduce the basic air fare from $1,860 to around 1,300. If interested, contact me (Trevor Tiffany) c/o of Swim.

The swimmers will travel on open return tickets with the return date having to be booked 30 days in advance of return. This will provide team members with the opportunity to visit the country in which they are competing after the conclusion of the Games.

The following selection procedure will be in use for these Games.

To be eligible for selection to the Commonwealth Games team it is not necessary to be a Canadian citizen, however the only alternative to that status is that of being a British subject with at leats one year of Canadian residency. Should you have any doubts regarding your eligibility, contact the National Office, immediately.

To gain automatic selection for the Commonwealth Games team, prior to the trials, a swimmer must equal or better the World Championship standards and be the fastest Canadian from either the World Championship Trials or actual competition. No more than one place can be automatic prior to the actual trials, where all the remaining team places will be decided.

The actual trials for the Commonwealth Games will the 1982 Summer Nationals, scheduled for August 25-28 in Edmonton.

A Commonwealth Games team board will prominently display selections, event by event, at the trials. The standards that must be achieved are listed in the box.

The final team selections for relay alternates will be made during the club relays on Saturday evening (the relays are timed finals this summer, ALL teams swimming after the end of the individual event finals, so as to interfere in the least possible way with an individual trying to gain selection to the Commonwealth team).

The Canadian team will then be presented to the press and public, at the conclusion of the meet.

The team will assemble the following morning at a brunch reception and will be outfitted later that afternoon (Sunday). We fly to Hawaii on Monday with a sight-seeing stopover in San Francisco.

Training camp starts on Tuesday afternoon in a 10 lane outdoor 50m pool.

Final travel to Brisbane will be September 20th (Monday).

The Chandler Aquatic Centre

A vision of excellence

A report on the Canadian Olympic Association annual meeting *by Dan Thompson*

The Canadian Olympic Association held it's annual meeting April 23 - 25 in Montreal. I was in attendance as the Athlete's Representative for the Aquatic Federation of Canada. My role was not only to represent swimmers but also water polo players, divers and synchronized swimmers. In addition Dave Stirrup and Leo Bonin were also in attendance representing swimming.

The highlight of the weekend was a discussion workshop titled "A Vision for Excellence." The format followed the CASA Policy Conference of 1979. There were two major discussion groups. One group dealt with Athletic Excellence, another with Organizational Excellence. A cross section of athletes, business people, administrators and volunteer sport officials formed the discussion groups. There were many questions asked, obstacles identified and recommendations put forward.

Abby Hoffman, director of Sport Canada delivered the keynote speech of the weekend. She is just completing an eight-month study called "High Performance Task Force" which found that for Canada to maintain its current (1976) standing in world sport of tenth place we need a 100% increase in funding. To improve on this ranking Canada needs a 200% funding increase. This information, together with the workshops recommendations indicate immediate actions are required in the areas of funding, marketing of sport and organizational planning. Within the next year we should know whether our objectives for sport in Canada are attainable or merely a pipe dream.

The general conclusions of the weekends deliberations were that in order to improve our world placing, we need to change the attitude within our culture toward sport. A more efficient organization of Canadian sport is another recommendation. This would include sharing information among the various sports including training programs for sport administration, marketing, planning, evaluation. Some felt a need for a centralized technical planning body. This group would include sports governing bodies, (national and provincial), COA and the Coaching Association of Canada. The main purpose would be planning and coordination.

Another highlight of the COA meeting was the election of Roger Jackson,40, of Calgary to replace Richard Pound of Montreal as president. Jackson, a rowing gold medallist at the 1964 Olympics, will serve three years from the term Pound was elected to serve last spring. Pound, a 39-year-old Montreal lawyer, resigned last fall because of the increased time demands his involvement with the International Olympic Committee require.

The Athlete Advisory Committee of which I am a member is the voice of athletes. Some of the deliberations during the weekend touched on areas that are very important for the athletes. Most notable of these was the Olympic Team selection criteria. The AAC endorsed the current position of the COA regarding qualifying standards based on world rankings for selection in individual sports with special riders for team sports. We also spent time attempting to come to grips with the role of the AAC within Canadian sport. The basic issues were: should we merely be an advisory body to the COA; or should we be an autonomous body. We were not able to resolve these questions. We did ask that the COA grant us 'B' level memberships (voting rights) in time for the next quadrennial meeting in 1985.

I feel that the AAC will become an important part of the decision making process for sport in Canada as more athletes assume leadership roles. Leadership in sport will then pass to those in the know, rather than to those who think they know.

insta-pulse* T.M.

No other heart rate monitor has the accuracy, speed and simplicity of Insta-Pulse at such an affordable price.

Measuring heart rate gives you immediate feedback on the effects of fitness training. If you are measuring heart rate the old way, your calculations are probably off by 20% or more. That's why the Insta-Pulse heart rate monitor was developed.

Insta-Pulse works on the same principle as an electrocardiograph (EKG) and utilizes a micro-computer chip. It monitors each heart muscle contraction and instantly translates it into heart beats per minute. Yet it weighs a mere ten ounces, measures 11" x 1½" and is a fraction of the cost.

Insta-Pulse is 100% solid state and runs on a single 9 volt battery for up to one year (over 100,000 readings). The battery is included. Circuitry is shielded from damage by a thick, clear lucite shell.

Insta-Pulse comes with a 90 day warranty and a 30 day money back guarantee. For further information, please write or call.

Scoring is done to top 15 places, (20-18-16-14-12-10-9-8-7-6-5-4-3-2-1) double for relays.

North York successfully held on to their first place of last summer, with strong showing in most of the six age categories. University of Calgary moves into the top five from eight. Most improved team is Mississauga AC moving to 12th from 36th last year!

Records were bettered in the 15-17 boys **Mike West** (both backs) and **Victor Davis** (100-200 breast and 200 fly). In the 11-12 boys **Matthew Young** set new marks in the 100-200 breast. Girls swimming had a number of record swims, mostly in the older categories. In the 13-14 only **Donna McGinnis** improved the 800 free. While a good crop of records was established in the 15-17 girls with **Julie Daigneault** (400-800 free), **Anne Ottenbrite** (100-200 breast) and **Chantal Venne** (200 fly).

Record Setters

Anne Ottenbrite
Age: 16
Club: Ajax Aquatic Club, Ontario
Coach: Paul Meronen

Anne suddenly burst on to the Canadian scene with three gold medals at the 1981 Canada Summer Games. She won both 100-200 breast and was a member of Ontario's winning medley relay.

In January she competed in her first international meet representing Canada. And it was very successful as she finished fourth in the 200 breast in Canadian record time.

In April she won her first two national championships, at Brantford, taking both 100-200 breast titles.

Matthew Young
Age: 12
Club: Elliot Lake Aquatic Club
Coach: Anne Sangster

Matthew erased both National Age Group records in the breast events at the Youth Cup last December. His performances were one of the highlights of that meet. He is following in the footseps of older brother Andrew who ranked second last season in TAG (11-12) 100 breast.

Donna McGinnis
Age: 13
Club: Edmonton Keyano Swim Club
Coach: Dave Johnson

Donna may be the best potential distance swimmer in years to come. As a 12-year old she bettered the lc 400 NAG and this season improved the 800 NAG in the 13-14 category. Significantly both markes were held by Canada's former distance star, Shannon Smith and were set seven years ago or even earlier. Donna placed second in the 800 free at the Winter Nationals.

NOSE CLIPS

SUPERIOR DESIGN: With proper alignment, the **contoured nose pads** seal the air cavity at the sides of your nose rather than squeeze the front, allowing you a **more comfortable fit.** The nose clip is adjusted by pulling nose pads apart. The **Sand-beige colour** blends with every skin colour. There's **no metal** to rust or break through the latex coating And, Health Saver nose clips float, so they're easy to retrieve. For added convenience we've provided you with a storage case.

BENEFITS: 1. Strapless, yet it floats. 2. Contoured nose pads adjustable, more comfortable fit. 3. Rustproof. 4. Sand-beige skin tone. 5. Handy storage case.

EAR PLUGS

CUSTOM FITTING: This ear plug is reversible. Each end is a different size - the flanges vary by just 1 millimetre. Often **each ear** is also a different size. The Health Saver **Reversible Ear Plugs** custom fit both ears **individually** for a **more comfortable fit.** Alter the size, if necessary, by cutting off a flange. For added convenience we've provided you with an **extra** ear plug, and a storage case.

BENEFITS: 1. Reversible - 5 sizes. 2. Custom fit each ear. 3. Individual sizes, more comfortable fit. 4. Extra plug with storage case. 5. Blocks water, permits hearing.

SORE EARS ? Use Hear-Saver® medicated, cotton/wax ear stopples. So soft they conform to the shape of each ear, blocks out water and filters noise yet permits normal hearing.

CIRCUIT DE NAGE DE LONGUE DISTANCE

Pour une deuxième année le circuit de nage de longue distance du Québec offrira aux nageurs une série d'épreuves fort intéressantes. Il y aura un classement cumulatif, afin d'identifier les spécialistes de la province et de couronner les champions provinciaux masculin et féminin à la fin de la saison.

Il existe deux types d'épreuves dans ce circuit soit: les traversées et les courses en circuit fermé. Les nageurs intéressés à tenter l'expérience peuvent contacter les organisations suivantes pour obtenir des formulaires d'invitation.

UN CLUB DE NATATION SPORT ETUDES, UNE PREMIERE AU CANADA ET AU QUEBEC!

La Fédération de Natation du Québec dévoilait mardi, le 4 mai, les grandes lignes du projet Sport Etudes qui se réalisera en collaboration avec l'école secondaire Jean XXIII de Dorval et ce, dès septembre '82. Cette conciliation du sport et des études constitue une première au Canada et au Québec. En plus d'être un problème d'actualité sur lequel se penche le Ministère du Loisir, de la Chasse et de la Pêche, il constitue un projet pilote qui servira éventuellement à implanter d'autres centres de ce genre au Québec. Considérant qu'il y a au Québec plus de 100 écoles secondaires, 40 cegeps et 4 universités dotés de piscines, il serait souhaitable que ce projet connaisse un dénouement significatif.

L'intention première du club Sport Etudes est de permettre à des jeunes de développer leurs aptitudes sportives dans un cadre compatible à l'atteinte et à la poursuite de leurs objectifs scolaires. En plus d'offrir un programme d'entraînement adapté à l'intérêt et aux besoins des jeunes, le club Sport Etudes les sensibilise à la pratique d'une activité physique saine.

L'entraînement se tiendra à la piscine de l'école Jean XXIII après les heures de cours. L'école possède un bassin de 25 mètres et se situe dans une région où la tradition sportive aquatique est relativement bien perçue.

Le club Sport Etudes a eu la main heureuse en s'assurant les services de mademoiselle Ginette Ladouceur comme entraîneur chef. Ginette est graduée du collège Ste-Anne de Lachine. Elle a par la suite obtenue un Baccalauréat en Education physique à l'Université McGill. Elle a débuté une brillante carrière à l'âge de 8 ans avec le club de Pointe-Claire où elle s'est distinguée à maintes reprises sur la scène nationale. Lors des Essais Olympiques de 1976, elle se classa 4ième au 200m dos et 7ième au 100m dos. A cette époque, elle devint membre de l'Equipe Nationale et elle se mérita en 1975 le titre de championne britannique Groupes d'âges au 100m et 200m dos.

Nul doute qu'avec une carrière consacrée à la natation et une profession axée vers l'éducation de ce sport, Ginette Ladouceur représente un atout majeur dans la mise en oeuvre de ce projet.

Le directeur de l'école Jean XXIII, Jacques Théorêt, a rappelé son appui en mentionnant que "les élèves membres du club Sport Etudes recevraient le même encadrement et seraient soumis aux mêmes conditions de réussite scolaire que tous les autres élèves de l'école. La sélection des candidats tiendra compte des facteurs suivants: rendement scolaire, maturité, autonomie, persévérance et constance dans l'effort fourni." Il dit souhaiter que ce club soit pour les élèves une expérience enrichissante et devienne peut-être le début d'une carrière dans ce sport.

Les candidats seront recrutés parmi les élèves de 6e année fréquentant les institutions de la Commission scolaire Baldwin Cartier. Les intéressés devront subir un test de détection de talent en plus de montrer d'excellentes notes académiques. Après l'étude des dossiers et une entrevue avec les responsables, on sélectionnera les 30 meilleurs candidats. Tous les élèves de 6e année répondant à ces critères peuvent joindre le club dès septembre '82 en communiquant à l'école Jean XXIII au 626-1711 ou à la Fédération de Natation du Québec au 374-4700 poste 257.

LE NAGE-O-THON DES CELEBRITES

Dimanche le 21 mars, à la piscine olympique, on a enregistré un record d'inscriptions lors du 5e Nage-O-Thon des Célébrités. On a en effet estimé à 2,000 le nombre de personnes qui sont venues voir athlètes, artistes, fédérations sportives se mouiller pour une bonne cause.

C'est Jacques Beauchamp du Journal de Montréal qui, à titre de président du Nage-o-thon, a donné le signal du départ. Le comédien Gilles Pelletier en a impressionné plusieurs en faisant 136 longueurs de piscine. Pour sa part, Jean Rafa a réussi 80 longueurs.

Jacques Beauchamp president du Nage-o-thon

Les postes de radio étaient bien représentés de même que les fédérations sportives dont l'Immaculée-Conception qui à remporté le trophée du Nage-o-thon pour une deuxième année. Parmi les invités, mentionnons Michel Jasmin, Pierre Labelle et Youppi.

Le Groupe Marketel qui nageait pour le compte de Métro-Richelieu a remporté quant à lui le trophée Jacques Beauchamp attribué à l'équipe qui avait amassé le plus d'argent. Une somme de $1,500 a en effet été versée pour la natation.

NAGEURS POUR EDMONTON

Suite aux championnats provinciaux Groupes d'age, 15 athlètes ont été choisi pour former la délégation qui représentera le Québec à la Youth Cup d'Edmonton, du 13 au 16 mai.

Ces nageurs ont par la suite subi les tests de détection de talent et participé au camp d'entraînement qui se passait à l'Université de Montréal les 15-16-17 avril.

COUPE DU QUEBEC LES SELECTS ET POINTE-CLAIRE SE DISPUTENT LA PREMIERE PLACE

Environ 250 nageurs provenant de 34 clubs des quatre coins du Québec ont participé à la deuxième des quatre tranches de la Coupe du Québec qui se déroulait au PEPS de l'Université Laval, les 5-6-7 février. Si Pointe-Claire a remporté la victoire de la première tranche dans la piscine de Pointe-Claire les 8-9-10 janvier, l'équipe des Sélects a riposté en terminant première à Québec. Pointe-Claire se retrouve donc en première place au classement général avec 1948 points, talonné par les Sélects de Québec avec 1929 points;

Chez les femmes, Natalie Deschamps de Québec s'est révélée la figure dominante de ce match en récoltant trois fois l'or soit au 100m papillon, 200-400m quatre nages et deux fois l'argent. Elle partage maintenant la vedette avec Julie Daigneault de Pointe-Claire (33 points) et Chantal Venne du même club (27 points) se classe au troisième rang.

Il semble que chez les hommes Benoît Clément de Laval convoite la victoire pour une deuxième année consécutif; il a en effet fortement devancé André Théorêt de Pointe-Claire qui le suit avec 26 points alors que lui en compte 43. Les quatre médailles d'or qu'il s'est méritées y sont sûrement pour quelque chose. Louis St-Laurent des Sélects occupe la troisième place avec 18 points.

A un peu plus d'un mois avant les Championnats Canadiens, cette rencontre a servi de test décisif aux nageurs qui ont travaillé fort pour atteindre le summum de leur forme dans l'espoir de réaliser les standards de qualification des Nationaux.

La troisième tranche de la Coupe du Québec se déroulera au centre Claude-Robillard, les 14-15- 16 mai et le couronnement des gagnants se fera à la Piscine Olympique de Montréal, les 23-24-25 juillet. Pourquoi ne profiteriez-vous pas de ces deux compétitions pour venir encourager les athlètes du programme 35%?

160 QUEBECOIS PARTICIPENT AUX CHAMPIONNATS JUNIORS

L'association Métropolitaine de Natation fut un hôte de grande classe lors des Championnats Juniors d'hiver de l'Est du Canada, les 25-26-27 mars dernier. Mettant à profit les magnifiques installations du Centre Claude Robillard, le comité organisateur dirigé par messieurs Gilles Brunet et Gilles Durocher, a assuré aux

compétiteurs des six provinces de l'est canadien un environnement idéal pour réaliser de bonnes performances.

Près de 160 nageurs représentant au-delà de 35 clubs formaient le contingent québécois. Déjà cette participation record nous permettait d'anticiper des résultats très satisfaisants. D'abord, au classement cumulatif des équipes, deux formations québécoises ont mérité les deux premières positions soit Pointe-Claire avec 522 points et CAMQ avec 450 points. De plus, on retrouvait huit de nos équipes dans les vingt meilleures.

Sur le plan individuel, mentionnons d'abord les deux records provinciaux catégorie 13-14 ans de Jacques Jodoin de Boucherville dans le 200m et le 400m quatre nages. Tandis que John Qvering de CAMO et Carol Docherty de Pointe-Claire établissaient de nouvelles marques de la rencontre, respectivement dans le 50m libre et le 400m libre, d'autres nageurs se signalaient en remportant des médailles d'or: Régent Lacoursière de CAMQ au 100 et 200m libre, Caroline Verschoote de Pointe-Claire au 100m papillon, Marie-Josée Lanthier de Laval au 200m dos, Manon Simard de Hauterive au 100m dos, Daniel Barrette de Boucherville au 200m brasse et Mark Kovaluk de St-Laurent au 100m brasse.

. . . Des résultats fort encourageants si l'on considère que les Championnats Juniors constituent le tremplin par excellence pour notre relève nationale.

LE CHAMPIONNAT CANADIEN D'HIVER, UN BAROMETRE POUR LE PROGRAMME 35%

Près de 90 athlètes venant de 16 clubs du Québec ont participé au championnat canadien d'hiver qui a eu lieu à Brantford du 17 au 20 mars. On peut affirmer que la plupart des nageurs identifiés au programme 35% ont réussi d'excellentes performances. Ce championnat avait une double motivation pour nos athlètes. En effet, alors que certains cherchaient à s'imposer sur la scène canadienne, d'autres luttaient farouchement pour se mériter un poste en vue de la rencontre France/Québec.

Suite à une analyse des performances, soulignons que les nageurs et nageuses québécois ont atteint les finales à 50 reprises et les finales de consolations 47 fois. C'est un fait sans précédent depuis les 5 dernières années. Nos athlètes se sont mérités 11 médailles, dont 4 d'or ce qui est aussi un exploit.

Du côté individuel féminin, Julie Daigneault, Chantal Venne et Anne Jardin de Pointe-Claire, Karen Ward et Nathalie Recoskie de Beaconsfield, Dominique Roussy et Natalie Deschamps des Sélects et Nathalie Gingras de CAMO furent certainement celles qui se sont le plus signalées. Du côté masculin, le progrès fut appréciable, soulignons d'abord la médaille d'or de Louis St-Laurent au 50 mètres libre, les performances de Philippe Blanchard au 200, 400 et 1500m libre. Le Québec compte dans ses rangs plus de 5 nageurs qui ont brisé la barrière du 4 minutes au 400m libre et du 16 minutes au 1500m libre. Il y avait aussi de bonnes performances au 100 mètres papillon de même qu'au 200 mètres papillon où Daniel Lépine a abaissé le record senior québécois.

Au classement des équipes des lignes, l'équipe de Pointe-Claire a établi un record en prenant la 3e position chez les femmes, alors que le club Sélect de Québec dirigé par Jean-Marie DeKoninck et Benoit Lebrun a causé une agréable surprise en prenant la 6e position chez les hommes.

LA VICTOIRE DU QUEBEC SUR LA FRANCE: HEUREUX PRESAGE POUR LA COUPE LATINE

Le Québec est sorti victorieux de la troisième rencontre de natation France-Québec au PEPS de l'Université Laval, les 27 et 28 mars. Les spectateurs attendaient avec nervosité l'issue de ce duel qui avait déjà donné deux victoires à la France, en '79 et en '81. La province de 6 million d'habitants a damé le pion au pays qui en compte 55 en établissant un pointage de 176 contre 168.

Suite à cette victoire, le président de la Fédération de Natation du Québec, Léo-Paul Bonin a annoncé que le Québec poserait sa candidature pour participer à la Coupe Latine qui réunit tous les pays latins. Si les démarches de monsieur Bonin rencontrent le succès espéré, les nageurs québécois seront de la partie aux côtés de leurs cousins français et ce, dès 1983.

Après avoir participé aux Championnats canadiens du 17 au 20 mars, les 40 athlètes de l'équipe du Québec étaient prêts à affronter leurs 30 adversaires en bassin de 50 mètres. Julie Daigneault, la brillante nageuse de Pointe-Claire, fut le cheval de bataille de l'équipe en remportant les épreuves 100-200-400 et 800m libre. Tout est possible à celle qui a brisé le record canadien au 800m libre en janvier '82 en réalisant un temps de 8:33.89. La formation du Québec a raflé toutes les premières places féminines dans les épreuves individuelles sauf au 100 et 200m dos, marques qui furent attribuées à la française Mirelle Azais. Dominique Roussy de Québec a fait une percée remarquée dans les rangs des athlètes d'élite en se méritant l'or au 100 et 200m brasse. Tout permet de croire que cette jeune ondine de 15 ans qui a établi un nouveau record 200m brasse dans sa catégorie (2:41.87) constituera un atout important dans les futures rencontres internationales.

Bien que les Québécois étaient en grande forme, on ne s'attendait pas à une seule victoire masculin. Philippe Blanchard du club CAMO et Louis St-Laurent des Sélects ont suscité de nombreux applaudissements en enlevant respectivement la victoire au 200m libre et 100m libre. De plus, ils ont permis au Québec d'ajouter un fleuron de plus à leur bannière en battant les Français au relai 400m libre.

Du côté de la formation française, Frédéric Delcourt, champion de France, a récolté quant à lui quatre médailles d'or dans le 100-200m dos et dans le 200-400m quatre nages. La rencontre France-Québec était une préparation pour les nageurs français qui se rendront à Buenos Aires en avril pour y disputer la Coupe Latine. Déçu par l'issue du duel, le chef de délégation, Pierre Brustine s'est néanmoins déclaré satisfait des performances des nageurs et a tenu à réitérer ses voeux d'amitié.

"Nous sommes très reconnaissants de l'hospitalité des familles québécoises et cette rencontre ne fait que renforcir une amitié déjà établie. Même si nous n'avons pas gagné, il faut penser qu'à cause de nos liens ancestraux, chaque fois que le Québec gagne, c'est un peu la France qui gagne et vice-versa."

MARK FELLNER TALKS ABOUT WAYNE KELLY

The Victoria Olympians are making an increased impact. Not only did the team win the Western Junior Nationals, but Mark Fellner, their coach, has brought to the islanders a new enthusiasm and a somewhat "maverick" approach to coaching. Mark reports that the group he's working with is ready to make a serious commitment towards 1984. One of the outstanding swimmers developed by coach Fellner is Wayne Kelly. Here is a brief profile of him, that was done during the Winter Nationals.

Wayne Kelly is not a big swimmer for a sprinter. He's just under 5'10" in height, but he's well balanced. His body fat is a very low 9% during the season, dropping to 8% when he's tapered.

He's got a great attitude. It wasn't always so. Three years ago, he just didn't like to work hard. Now, we have to beg him to take a day off when he's tired. His enthusiasm and leadership are such that he just wouldn't dream of missing a workout. We're trying to get him to understand that his own well-being is more important than the wellfare of the team.

I feel he has almost unlimited potential. The hardest thing to develop in an athlete's of his calibre is the ability to race-how to maximize his capabilities. As his coach, I'm not quite sure how to do this. Our racing opportunities are so few in any season, and we don't like to blow anyone of them. Also, our meager funds can't all be spent in just gaining racing experience. One area that I have picked from having coached cycling, is using racing simulations. This is also a common training method in cross country skiing.

At the Winter Nationals he was still recovering from the effects of a severe bout of the flu which really laid him low for most of February. At the CIAU's he just swam through, without any rest, and we had a small taper for this meet. He didn't swim fly in this meet, which is an event where I feel he has great potential. In the free sprints he managed a second in the 100 and fifths in the 50 and 200. He also swam a 400, splitting just two minutes at the half-way mark so we could see how well he could descend the second half. He just managed it. He proved at this meet that his sprinting ability is there, but not his strength. After this meet, we're moving into a distance based program for another six weeks. This will end with Hyack's training camp in Hawaii in May. After that, we'll start our taper for the Esso Cup/World Championships Trials.

I have been working on his fly technique. Interestingly the most helpful suggestions came from Howard Firby. He taught me to teach Wayne to stay 95% under and only 5% above the water surface. So with an improved technique, Wayne was able to do a lot of high quality fly work. Perhaps, this was the reason why he got sick, too much high quality work. He's yet to make an impact in this stroke. But I look for some great 100 fly times soon.

Wayne is a "clutch" swimmer. A general utility type of athlete. He can help in any relay. He really loves pressure. The experience at Gainesville, really helped him. Canadian swimming can sure use someone like him, especially in the free relays, where we are at our weakest.

A CONVERSATION WITH KEN ROYDS COACH OF THE BEACONSFIELD BLUEFINS

The Beaconsfield Bluefins really made their mark at the recent Winter Nationals. Head coach Ken Royds, has been obviously doing the right sort of work for some time now. His team earned a surprising number of places in the finals, with Nathalie Recoskie improving four seconds in the 100 breast to earn a silver, while Karen Ward was in four finals from the 100 to 800 free, just missing a bronze in the 200. The relays also did well, the 4x100 free finished fifth and the medley was sixth. Ken Royds explained the reasons for the success.

Traditionally, the Bluefins always have had great age group strength. At the

senior level we just never seemed to have anything left. I feel there is a big difference from an age grouper doing senior times and a real senior swimmer.

I've been careful to develop my kids so that success at a low level will not overwhelm them. Success at too young an age has been devastating for so many promising swimmers. I've seen more than my share of successful 12 and 13 year olds swim well at that age only to completely vanish from the scene by the time they are 15 or 16. If you have moved into the senior ranks, having been an age group winner you just have to be more mentally mature than merely physically mature to be able to handle that situation. Of course, you have to develop their bodies according to their own levels of maturation. My Bluefins are doing well now, because they're approaching the age of 15, 16 and 17, and that's when they should really show - not at 12.

I guess Nathalie Recoskie was really quite impressive. After a great heat swim, she really held it together for the finals. She was just a shade slower. By keeping her cool, she really showed me she is ready for this level of swimming. In all honesty, I was surprised by how much she was able to drop. She came into the meet with a best of 1:16 and dropped to 1:12.20. She's talented, very strong and easy to work with. She's always had the talent, but she lacked the solid training program that she's had this past winter.

Karen Ward, I feel is still about two years away from doing really well. At age 10, she was a 2:45 100 freestyler . . . that certainly should give hope to many kids out there. She is very dedicated, not having missed more than two workouts in three years. Usually she leads in all the hard training sets. . . fighting off the boys to take the lead. She is very consistent, day in day out in her hard work. I think that's the simple explanation for her success. She needs to grow both physically and in maturity. Also I would like her to be much stronger. Incidentally, we have not as of yet started weight training with any of these girls, because I don't feel their bodies have matured enough. As Karen gains speed, when she gets older, her sprints will improve too. Right now, I wish a women's 1500 was part of the Canadian program. Her ability really would show there.

I see a bit of a problem with boys swimming. They are too attracted to professional sports. I also don't find they have the same kind of desire to excell that the girls have. Their main interests lie in other sports, such as hockey, baseball and football.

Our facility is only a 25m x 8 lane pool. It's really quite adequate for training, although very poor in acoustics. In the summer we train outdoor in a 50m pool, four to five times a week. I really find it helpfull to train outdoors, the change of environment is great. Although it can get a bit cold at times. I feel it's a big help.

Short course training is not a limitation to how well you can do. The United States certainly shows that with their training done mostly in 25 yard pools. I think for age groupers, long course training two or three times a week should be sufficient. I'm not sure what is best for the international athlete, but I'll know pretty soon.

The strength of Canadian swimming is really with the large number of smaller teams like mine. In the bigger clubs, perhaps the head coach has too many kids to work with. I guess we need even more smaller clubs, and if each could develop a handful of national swimmers, think of the impact that would have. At these Winter Nationals not many clubs have even six qualifiers.

CANADIAN SPEEDO DISTANCE SWIM WEEK

833 swimmers from eight provinces representing 33 swim clubs took part in the first distance program sponsored by the Canadian Swimming Coaches Association with the generous help of Speedo Canada Inc.

The event was scheduled for the period Jan.29 to Feb.7. The idea behind the whole concept was to offer a simple and cheap method of exposing a very large swimming population to two events in which Canadian swimmers are lagging behind the world, namely the women's 800 free and the men's 1500.

A unique feature was that swimmers were ranked in single age increments, starting at 11 and under and then 12, 13, 14 and so on up to 18 and over, for both men and women. The most popular category was the 11 and under, with quite a number of seven year-olds taking part.

All the swimmers taking part received an individualized certificate with their name, time and placing.(Anyone wishing a set of results, may obtain a copy by writing to Swim - no charge).

For next winter, plans are underway to expand the concept. Swimmers will have the added option to swim both an 800 and 1500. This will apply to boys and girls in all categories. At the younger ages we will expand, starting with nine and under, than 10, 11, 12 and so on. The way the extra event will work, swimmers may swim a 1500 and also submit their 800 split, or just swim an 800. This will encourage more people to take part. The plans call for the event to take place in late November early December.

A reminder that the 1982 CSCA/Speedo Sprint Swim Week will be held July 8-18. And this time only 50's in the four strokes will be ranked. Starting at 9 under, than 10, 11, 12, and so on up to 18 over. Entry information will be available in late May from Swim Magazine.

CSCA HOSTS PROGRAM PLANNING MEETING

This meeting was held the morning after the Winter Nationals, in Toronto at the airport Holiday Inn. (This minimized the costs and only a few extra hours of time were needed before each representative had to fly home).

Six provinces were represented and a lively exchange of ideas took place.

Tom Johnson, chairman of the CSCA hosted the meeting and outlined the rationale behind the decisions to locate certain major meets in the calendar for 1983.

A new concept was introduced. This was to replace the Youth Travel program with a full-fledged Youth Championships. These would be held for girls 13 and younger and boys 15 and younger. There would be one for short course and one for long course pools. The location of these two meets was of interest. They were to be placed at roughly mid point in their respective seasons. That is midway between the Canada Cup and the Nationals. Hopefully the performances by the younger swimmers would influence the older swimmers at the National meets. An added feature would be the participation of an invited team of one of the leading swimming power. Hopefully the sponsor of Youth swimming will look with favour on this concept.

Another CSCA initiative will be to co-ordinate the summer long course age group championships of all the provinces. By scheduling these for the same weekend, CSCA would then mesh the results, in the 11-12 and 13-14 age categories. Publish results of the top 100, and issue certificates. Only these two age classes were found to be common to all provinces, as many areas don't have the younger portion or the older one. These allows each province to run the kind of meet that fits their local needs best. All TAG events are planned for the NAG composite results, with the addition of the 50 free.

The major dates for 1983 and tentative locations are as follows:

ATHLETE ASSISTANCE EXPANDED

The Canadian Government has expanded its athlete assistance program for post-secondary students with the addition of a series of Terry Fox humanitarian awards. Sport Minister Gerald Regan stated that up to 200 scholarships of between $2,000 and $3,000 will be awarded annually, based on "demonstration of the highest ideals and qualities of citizenship and humanitarian service." Applcations will be accepted from high schools, junior colleges, universities, fitness and amateur sports groups and individuals by June 15 each year. This means a virtual doubling of the number of athletes on the assistance program. Currently there are about 200 athletes on the A and B card program.

IN BRIEF

Ronda Thomasson, a first-year student at UBC was named their "athlete of the year". Ronda won three gold medals at the CIAU in March.

Returning from a year in Edmonton to her home town is Nancy Garapick. She is currently training at Dalhousie with coach David Fry. Nancy will enroll at Dal in the fall.

Alex Baumann,18, out with a chronic shoulder pain, will attempt to resume competiton. He is competing mainly to see what it will be like to race with a chronic pain. He is hoping to be able to increase his current workout load from 3,000m per day to 4,000 or 5,000. He has given up any hopes of competing at the World Championships, but is still aiming for the Commonwealth Games.

Rowdy Gaines, the current world record holder in the 100 and 200 free will be competing at the Canada Cup in Vancouver at the end of May. This will be Rowdy's first Canadian appearance. His early season lc swims are 23.01, 50.24 and 1:50.59 for the 50, 100 and 200 freestyle.
